

Water Cistern Update & Refurbishment Kits

(to meet Water Regs 16 & ACoP L8 Requirements)

Legionnaires Therm Kit £148.80

Economic Lids & Accessories

- Water Research Council approved materials (3mm black polypropylene)
 - Designed for easy assembly
 - Will pass through restricted access
 - No maintenance
 - Available pre-insulated
- On site contract service available

- 01-027 Cistern overflow screens
- 5 Fasteners self tappers
- 9 Seal, removable lid 25 x 6mm (self adhesive film)
- 10 Seal, semi permanent lid 25 x 2mm (butyl copolymer)
- 11 Breather
- 14 Seal return pipe 22mm
- 15 Seal return pipe 25-65mm
- 19 3/4" x 1/4" set screws, nuts & washers (stainless steel)
- 22 Insulation
- 26 Lining suitable for potable water paint, Butyl G.R.P.
- 29 Bright reinforced aluminium foil
- 32 Water level float seal
- 36 Early warning screened overflow connector
- 234 Support section (S.S.)
- 235 Large Lid support (GRP)
- 251 Quick release access cover

LID MATERIALS

251 Access for 250, circular, quick release	£30.95
---	--------

INSULATION

22 Insulation 50mm expanded polystyrene, 6 sheets 8' x 4' (2400 x 1200mm) fire retardant	£15.00
29 Foil, bright reinforced insulation, Class 'O' fire retardant 4ft (1.2m) wide	£3.50/m
19 Aluminium Foil, bubble wrap (per metre)	Price on request
30 Aluminium self-adhesive tape 4" x 145ft (100mm wide x 45m)	£16.95

CISTERN FITTINGS

9 Seal, 25 x 6mm removable lid	P.O.A
9a Seal black butyl for larger lid	P.O.A
10 Seal, 25 x 2mm semi-permanent lid (£24/22m roll)	£1.52/m
11 Breather 3/4"	£4.50
12 Breather 1 1/4"	£8.50
13 Breather 2"	£12.75
14 Seal, open vent return pipe 22mm	£8.95
15 Seal, open vent return pipe 25-65mm	£17.40

36 Early warning pipe tank connector/insect screen 3/4"	£6.95

DISINFECTION & TESTING

STERISYS	Small system disinfection kit	£29.95
STERIMACH	Disinfection kit for machine tool coolant	£22.44
TABLET SYS	Disinfection tablets for STERISYS	£14.36
TABLET MACH	Disinfection tablets for STERIMACH	£4.47
CTT	Chlorine test tablets (10 foil packed)	£3.95
TT	Test tube for chlorine determination	£3.95
CERT	Proforma Certificate STERISYS or STERIMACH	£1.16
DTSD	Disinfection tablets Slow dissolving (200g)	£57.82/1
BTP	Bacteria test phial (box of 10)	£6.95 (£62.55)
LS	Legionella sample analysis (free sample bottles)	£32.00
POT	Potable water sample to 80/778	£25.00
Sampling Delivery		£15.00
SS Kit	Shower safe kit to treat a single rose & hose	£29.99
Thermometer	T - Shaped Thermometer	£26.95

Cistern Overflow Screens

All the fittings are of the compression type and can be fitted in any orientation without additional fittings. All the materials used in their assembly are WRC approved.

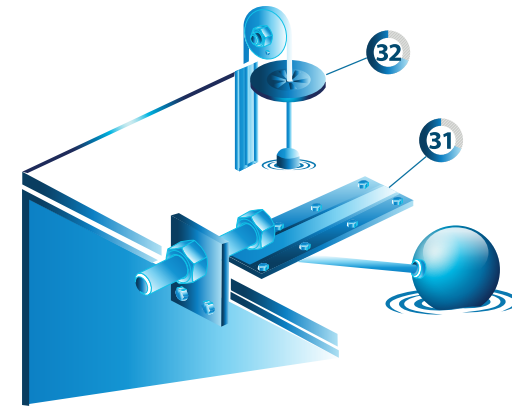

Item	Size	Price	Qty	£
01	15mm copper	25.17		
02	18mm copper	25.95		
03	22mm copper	26.85		
04	28mm copper	29.95		
05	35mm copper	44.95		
06	42mm copper	74.95		
07	54mm copper	111.95
